

CHAPTER 33 (POST 9/11) GI BILL®

REVOKE TRANSFER OF EDUCATION BENEFITS (TEB)

How to Modify an Approved TEB Election

1. Log-into MilConnect.
2. Access the TEB election.
 - a. Under “I want to...” click the “Transfer my education benefits” button; or
 - b. From the toolbar, click “Benefits”, then “Transfer of Education Benefits (TEB).”
3. Beside of each individual with transferred benefits, review the “Months Used”.
 - a. This data does not account for partial months of benefits used. The last Certificate of Eligibility (COE) sent from the VA when each person uses the benefit, will provide the most accurate amount of previous GI Bill® usage for each person.
4. Modify or Revoke the TEB Election.
 - a. **If Benefits Were Used:**
 - Click on the months allocated to each person and replace this with the number identified beside the corresponding person in step 3.
 - Do not reduce each person’s months to less than what they have previously used or revoke an election for anyone who has used benefits.
 - b. **If No Benefits Were Used:**
 - Click on the “Revoke” box beside the appropriate person.
5. Click on “Submit Request”.
6. If TEB benefits are still available for usage, under sponsor information, click on “Approval Form” and save this document with your records.
 - a. Recommendation: store this form with other important documents that family members would receive in the event of your death (i.e. Last Will and Testament).
